東京 とうきょう Tokyo

In Tokyo Station, by the gateway to the city, there's always a fight or some sort.

The only ones who remain are the fiercest of the fiercest.

People are now concen-trated in Tokyo.

The depopu-lation in rural areas was progressing as the population declines.

Those who call Tokyo Station home, young and old, men and women alike, wear suits like salarymen.

And as the remnants of the past...

Three kids... Now that's a good price.

Tonakai... Stay behind me for now.

Yeah, yeah, Santa.

Well, I was arrested at least for a while~! After that, it's common sense to break out of jail on your own!

Didn't you get arrested last time?

Oh, no! It's no big deal.

Sounds like you've got a lot on your plate, too.

SLAP

It's done.

Can't you see that?

You guys can't beat him.

I know because I fought him before.

This guy makes his presence know without hurting others.

That's what makes a really strong person.

...

I'll get the car. Where are you going next?

Uh... No.

You didn't really want to come here, didn't you?

I hope I can catch up with everyone...

I guess we have the opposite way of think -ing...
